## Newsletter

Autumn (Second Half Term) 2021

## Message from our Headteacher

We have been working hard to enhance our learning environment for our children. Renovations start in our Nursery building next week. Nursery staff are very excited. The plan is to see our Nursery children back in their new enabling learning environment when they return in January.

If you have items you feel you no longer need at home or could collect items on autumn walks, we would be incredibly grateful for any resources that could be donated to be used in school - see below for ideas.

It is incredibly important to us that we try to recycle and reuse as many items as possible. Please leave any donated items by the Reception gate, Nursery door or the KS1 playground climbing wall. Thank you all so much for recycling your resources, enhancing the education of our children and protecting our environment.

Parents' evenings will take place in school this half term. Social distancing measures will be in place. Parents who still wish to have their parents' evening online will be able to do so. Parents' curriculum workshops will now take across the academic year with social distancing measures in place. The first workshop is a phonics training for Reception parents.

Reception children will be performing our Nativity this year. Other year groups will all perform concerts at different points during the year. The following pages of this newsletter list many more exciting things happening during this half term.

Kind regards  
Mrs Robinson

### SCHOOL APPLICATIONS

The deadline for applications for Year R and Year 3 school places for September 2022 is 15<sup>th</sup> January 2022. You can apply on-line now. Please see the link below for more information: <https://www.milton-keynes.gov.uk/schools-and-lifelong-learning/school-admissions/starting-primary-or-junior-middle-school-in-september-2022>

The Local Authority deals with school places and all parents including nursery parents must apply by the deadline date.

I have been a Headteacher of a primary academy, a Church of England primary school and an all-through school (age 4-19) and have been responsible for my own admissions. If you have any questions at all about admissions and the admissions process, please feel free to contact me and I will fully explain the admissions process to you for any type of school.

SMSG are having an opening evening on 10<sup>th</sup> November at 7pm.

### Parents' Evenings – 23<sup>rd</sup> and 25<sup>th</sup> November

Parents' evenings will be offered in school during this half term. Social distancing measures will be in place. Parents should only enter the building 10 mins before their appointment time and there will be a one-way system in and out of appointments. We ask that masks are worn by everyone in the building (unless you are unable to do so).

We are aware that COVID cases are currently rising and therefore to ensure everyone feels safe, we are offering online as well as face to face sessions.

Please be aware that some members of staff are considered to be clinically vulnerable and to ensure their health isn't compromised, I have said that they should only offer online sessions. Parents of children in these classes will still be able to enter school to see your child's work and see their classroom.

### EVIDENCE ME – Nursery & Reception

If you would like to send school observations of your child, you can use the 'EvidenceMe' parent submission tool. For example, your child may have been awarded a swimming certificate or started to ride a bicycle without stabilisers.
